

FOR IMMEDIATE RELEASE

Nominations Open for the President's Award for the Environment (PAE) 2021, with Refreshed Judging Criteria

10 March 2021 – The Ministry of Sustainability and the Environment is opening nominations for the President's Award for the Environment (PAE) 2021 from 10 March to 30 April 2021. With the launch of the Singapore Green Plan 2030, the judging criteria for the PAE have correspondingly been updated. This will be the 14th PAE since its inception in 2006.

2 The PAE is Singapore's highest accolade for individuals, organisations and companies that have made significant contributions towards environmental sustainability in Singapore. It recognises and honours sustained contributions by environmental champions from the People, Private and Public (3P) sectors and aims to inspire more individuals, organisations and companies to contribute to efforts to address our environmental challenges (refer to **Annex** for list of past recipients of PAE).

Enhanced Judging Criteria for PAE 2021

3 Previously, the PAE nominees were evaluated on their contributions in line with the five pillars of the Sustainable Singapore Blueprint. With the launch of the Green Plan, the judging criteria have been refreshed to align with the pillars of the Green Plan. In addition to assessing environmental practices and partnerships, significant attention will be paid to the nominees' efforts to engage the wider community to collectively build a Sustainable Singapore.

Nomination Process

4 Members of the public are invited to nominate outstanding individuals who have contributed significantly to Singapore's efforts in achieving sustainable development and environmental sustainability, in line with the Green Plan. Organisations (non-governmental organisations, volunteer groups, grassroots organisations, etc) and educational institutions are also invited to submit their applications. Nominees should possess an excellent sustainability track record, have contributed significantly to sustainable development in Singapore, as well as adopted and promoted good environmental practices both within and beyond their organisations.

5 The results will be announced in the third quarter of 2021 and recipients of the biennial award will each receive a trophy and a certificate at the PAE 2021 Awards Ceremony, which will be graced by President Halimah Yacob. For more details on the award and nomination process, please refer to the PAE website at www.pae.gov.sg
